****** It is very important that ANYONE who volunteers for the Church or school, no matter how small the act, they must take a training course regarding Safe Environment Policy. This includes anyone who does ministries at the Church. It is for the safety of our youth. You will no longer be able to volunteer unless this is completed effective immediately. If you have any questions, feel free to reach out to Brittany Husky at the Rectory who is more than willing to help you get yours done if you do not know how. 660-376-3239******
