

WHO WE ARE

Viqa Investment has been established to cater to the needs towards a circular economy in the UAE and across the entire Gulf Region. Our investments are related to our common goals and to achieve a Zero Waste Society.

Viqa Investment DMCC is a family-owned group of companies in the UAE operating in the 5th generation in Trading of machines, Heavy equipment and Recycling solutions. Together with our team, we aim to ensure quality output and serve excellent service to be the One Stop Solution Destination to our clients.

Viqa Investment and its team continues to strive and reflect upon the mission and vision to fulfil our purpose as a group and to achieve a greater future without compromising the present.

WHAT DO WE OFFER

- Recycling & Waste Management Solutions
- Recycling services for environmental, construction, demolition, industrial and domestic waste
- Industrial & Mining Equipment Rental and Trading
- Logistics

Viqa Investment DMCC have maintained consistent growth since inception while contributing heavily to the recycling and heavy machinery industries in the UAE. Reliability and quality of service to our customers have always been our top priority.

OUR PURPOSE

To make cities and communities environmentally sustainable and safe for future generations.

OUR MISSION

To foster and devise innovative solutions for governments, industries and organizations within the GCC, that will enrich the communities and cities we live in.

WHAT WE DO

Our Investments are related to our common goal: **A Zero Waste Society.**

INNOVATIVE SOLUTIONS

Providing innovative and sustainable solution services and transforming industries while preserving the planet for future generations.

LOGISTICS

Dealing with the supply of new and used Recycling, Treatment, and Crusher Plants in the local and international market. Complete solutions for Recycling and Waste Management.

WASTE MANAGEMENT SOLUTIONS
