Drought Update: The Federal government has stated that our area is in a drought.

713 Mason Dixon Highway Sewer Tap Update: Nothing new.

Members did not make any decision about the truck repairs but decided to look at it at the shop tomorrow night at 7 pm. With Terry Baker.

Vice-Chairman Anderson informed the board that Diamond Pugh that is now the Manager at the Ameri-Serv Bank had approached him about their bank having good rates for local

government entities. He had told her he would mention it to the board. Everyone was in favor of having her come to a future meeting to present information to us. The feeling of the board was that it would be good to check with all local banks on current rates. Don Anderson will contact Diamond Pugh about coming to a future meeting.
