

Eklectic Coffee Bar catering combines excellent service with highly crafted coffee beverages. We partner with small-batch, organic coffee roasters to provide the freshest coffee from the farm to the cup. With a wide range of coffee bar experiences we allow the customer to customize and create a coffee bar that fits their needs.

Let's create your coffee bar experience!

*Each coffee bar experience includes **two hours** of service with unlimited drinks for your guests. All we need is an hour to set up our coffee cart. Then let the sipping begin.*

DRIP COFFEE BAR

Enjoy freshly roasted batch-brewed drip coffee set up on one of our handmade coffee carts and served by an attendant. Your guests will be given the choice of two single origin coffees with all the cups and fixins provided. **This bar pairs great as an add-on to our espresso bar.*

\$400 - 100 people

Pour-Over Bar

Our pour-over bar is for the coffee lover. We grind the coffee fresh for each cup and hand-pour each cup, taking 3-5 minutes a cup with four brewers going simultaneously. Your guests have the choice of two single origin coffees and all the cups and fixins, creating a unique, interactive experience for your guests. **This bar pairs nicely as an add-on to our espresso bar.*

\$600 – 100 people

ESPRESSO BAR

Our espresso bar is sure to impress and stand out at any event. We provide hand-crafted espresso drinks, hot and/or iced, using quality, freshly roasted espresso beans. Each drink is made with precision and includes a customizable menu, organic milk/alternative milk products and the choice of two of our homemade syrups.

\$1,000 – 100 people

Bridal Bar

We are always questioned, “How did you come up with a coffee cart concept?” Our answer is simple, “This was something we wanted on our wedding day, but there was nothing around at the time.”

My husband and I bonded over coffee, I guess that is where I first fell “in love” with him. Now it is our dream to share our love of coffee with other couples on their wedding day.

The bridal bar combines our espresso and drip coffee bar. It includes unlimited beverages hot and iced and two hours of service time.

**Pour-over bar can be switched out for the drip coffee bar for an additional cost.*

\$1,200 – 100 people

CASH COFFEE BAR

Our cash coffee or espresso bar comes with two hours of service time and will give your event the pop it needs. You pay our booking fee and your guests will pay for their drinks. Your experience is customizable by selecting from the services listed above. We will send a personalized quote for our booking, then let the sipping begin.

Batch-Brew Bottles

Our batch-brew bottles let you enjoy the drinks without the bar. Our 32 oz, sharable size, is great for birthdays, baby showers, bridal showers, or just a back yard get-together. Syrup flavors change seasonally and can be ordered through our online [store](#) and picked-up at one of our pop-up locations by visiting our [events page](#) on our website.

*Customizable label at additional cost.

Frequently Asked Questions

Q: Is the cost the same if I have less or more than 100 people?

A: No, we will give you a custom quote for smaller or larger events.

Q: How close do I have to be within the 100 people for my cost to change?

A: Typically as long as the guest count is within 20 people less or more the cost will not change.

Q: My event is longer than two hours. How much additional cost is there for an additional hour? A: We are very flexible and love hanging out, however we do have to pay our babysitters. Additional time is \$100 per hour. Not including set-up and tear down.

Q: How many people can you serve in two hours?

A: It is entirely dependent on the type of coffee bar you select. But typically our espresso bar can handle up to 150 people.

Q: How much space do you need to set up?

A: a 4x5 space for one of our carts or 8x5 space for both.

Q: What kind of power do you need?

A: If setting up indoors we will need at least four outlets. We do have long extension chords to work with if a second one is not as close.

Q: Can you do outdoor events?

A: Yes, we do have a quiet, inverter generator for outdoor set ups.

Q: How far will you travel for an event?

A: We prefer to stay within a 50 mile radius of our home base of 21773. Outside of this is case by case and will incur additional travel charges.

Please always ask if you have more questions. We are a small family owned business and as such, we try and do our best to work with the client to make their coffee experience the best that it can be.

If we can do something we will and if not, we will do our best to find a solution that works for everyone.
