

COMMITTEE TO ELECT MICHAEL BRICKER - VOLUNTEER AGREEMENT

I, _____, agree to provide my volunteer services to the Committee to Elect Michael Bricker, that being the campaign referenced below. I understand and acknowledge that by providing these volunteer services I agree to be bound by the following terms and conditions:

1. I agree to serve as an uncompensated volunteer for the campaign and not an employee of the campaign. I will not be entitled to any compensation and I will not be paid for any time spent providing these volunteer services.
2. I understand that while I may maintain other relationships, both paid and unpaid, with 1 or more local, state, or federal campaigns or other organizations, I am not acting as an agent of the campaign through the course of providing my volunteer services to the campaign. I will not make any statements on behalf of the campaign to the media or other third parties.
3. No travel expenses, including rental car, hotel reservations, or any other costs shall be paid or reimbursed by the campaign unless expressly pre-approved in writing by an authorized agent of the campaign.
4. I understand and agree that I shall keep in the strictest confidence all knowledge and information of a proprietary and confidential nature relating to the campaign, including without limitation all campaign plans, contributor information, financial data, technical data, know-how, and other (confidential) information in whatever form maintained.
5. The campaign shall at all times remain the sole and exclusive owner of all rights, title and interest in all data I receive or derive as a result of my volunteer services, including without limitation any lists of potential contributor information, all enhancements and updates to such lists, all data otherwise developed or independently gathered by myself while volunteering for the campaign, or its principals or agents. Under no circumstance shall I acquire any ownership rights, title, security or interest in such data in any way, and shall in no way, shape or form make sure of such data except as otherwise required to perform my volunteer services.
6. At all times while volunteering with the campaign, I will not engage in any behavior or commit any act or do anything which may subject me to public scandal, disrepute, widespread contempt, public ridicule, or that will tend to shock, insult or offend the community, public morals or decency, or prejudice the campaign, its affiliates or representatives in any manner.
7. I will not to make any statements whatsoever (including tweets or Facebook posts) that might reasonably be construed to defame, disparage or in any way criticize the personal or business reputation, practices, or conduct of the campaign, its employees, directors, officers, affiliates, or representatives (or cause, further, assist, solicit, encourage, support or participate in such).

8. I understand and agree that the campaign reserves the right to terminate me as a volunteer at any time, with or without cause.

By signing my name below, I understand and acknowledge that I have read these terms and conditions in full, and that I am bound in accordance with the terms above.
