DEVELOPMENT INSPIRATION

FarmCity drives inspiration from countryside/rural living filled with purity of nature, tranquil surrounding and the essence of nature etched in all facets of a rural lifestyle but with the added zest of urban amenities. It was nostalgic memories that truly inspired us to conceive this project and truly let our memories transcend to reality.

TOWN PLANNING

Under the expert supervision of Fahim Malik, FarmCity drives inspiration from countryside/rural living filled with purity of nature, tranquil surrounding and the essence of nature etched in all facets of a rural lifestyle but with the added zest of urban amenities.

ARCHITECTURE

At FarmCity our architecture is an amalgamation of simplistic rural designs with the strength of modern and profound building techniques, bringing in the best of both worlds. It is these intricate and subtle yet profound details that set farmcity apart from other projects.

LAND SCAPING

FarmCity's breathtaking park, a verdant oasis where nature's splendor unfolds. Lined with lush green belts, this tranquil haven offers not only respite from the summer sun but also a boost to the Air Quality Index (AQI). Immerse yourself in the cool shade of towering trees, where each breath is filled with pure, refreshing air. Here, amidst the rustle of leaves and birdsong, find solace and rejuvenation in the embrace of nature's bounty.

WALLED & SECURED

Experience the peace of mind that comes with living in a secure community at FarmCity. Our meticulously planned 50-acre society welcomes you with a majestic 30-foot-wide gate, complete with on duty guards, operating in sync with society timings. Feel the embrace of safety as you step inside, surrounded by a state-of-the-art solid wall designed to ensure comfort and security for all residents.

ROAD PLANS

The Main Boulevard of FarmCity spans an impressive 60 feet, meticulously crafted by our team of experts. Our Camel Inclined Roads are ingeniously designed to manage rainwater runoff and maintain road levels, in perfect alignment with our Mega-Town-Plan. Paved with top-of-the-line asphalt and adorned with lush green belts, our roads exude elegance and functionality. Pedestrians enjoy safe evening strolls thanks to thoughtfully placed roadside kerbstones. Our roundabouts, expertly planned by civil engineers, ensure smooth drives for all. With meticulous design aimed at minimizing collisions and accidents, FarmCity's roads offer both safety and serenity for all residents."

SECURE COMMUNITY

CCTV SURVEILLANCE

FarmCity plans to be equipped with 360-degree CCTV cameras which are fixed and also movable, the monitoring is being done from the control room of Head-Office by trained security personnel to maintain security and harmony.

MOBILE SECURITY

The vigilant mobile security patrols the society day and night, ensuring the safety and convenience of our residents.

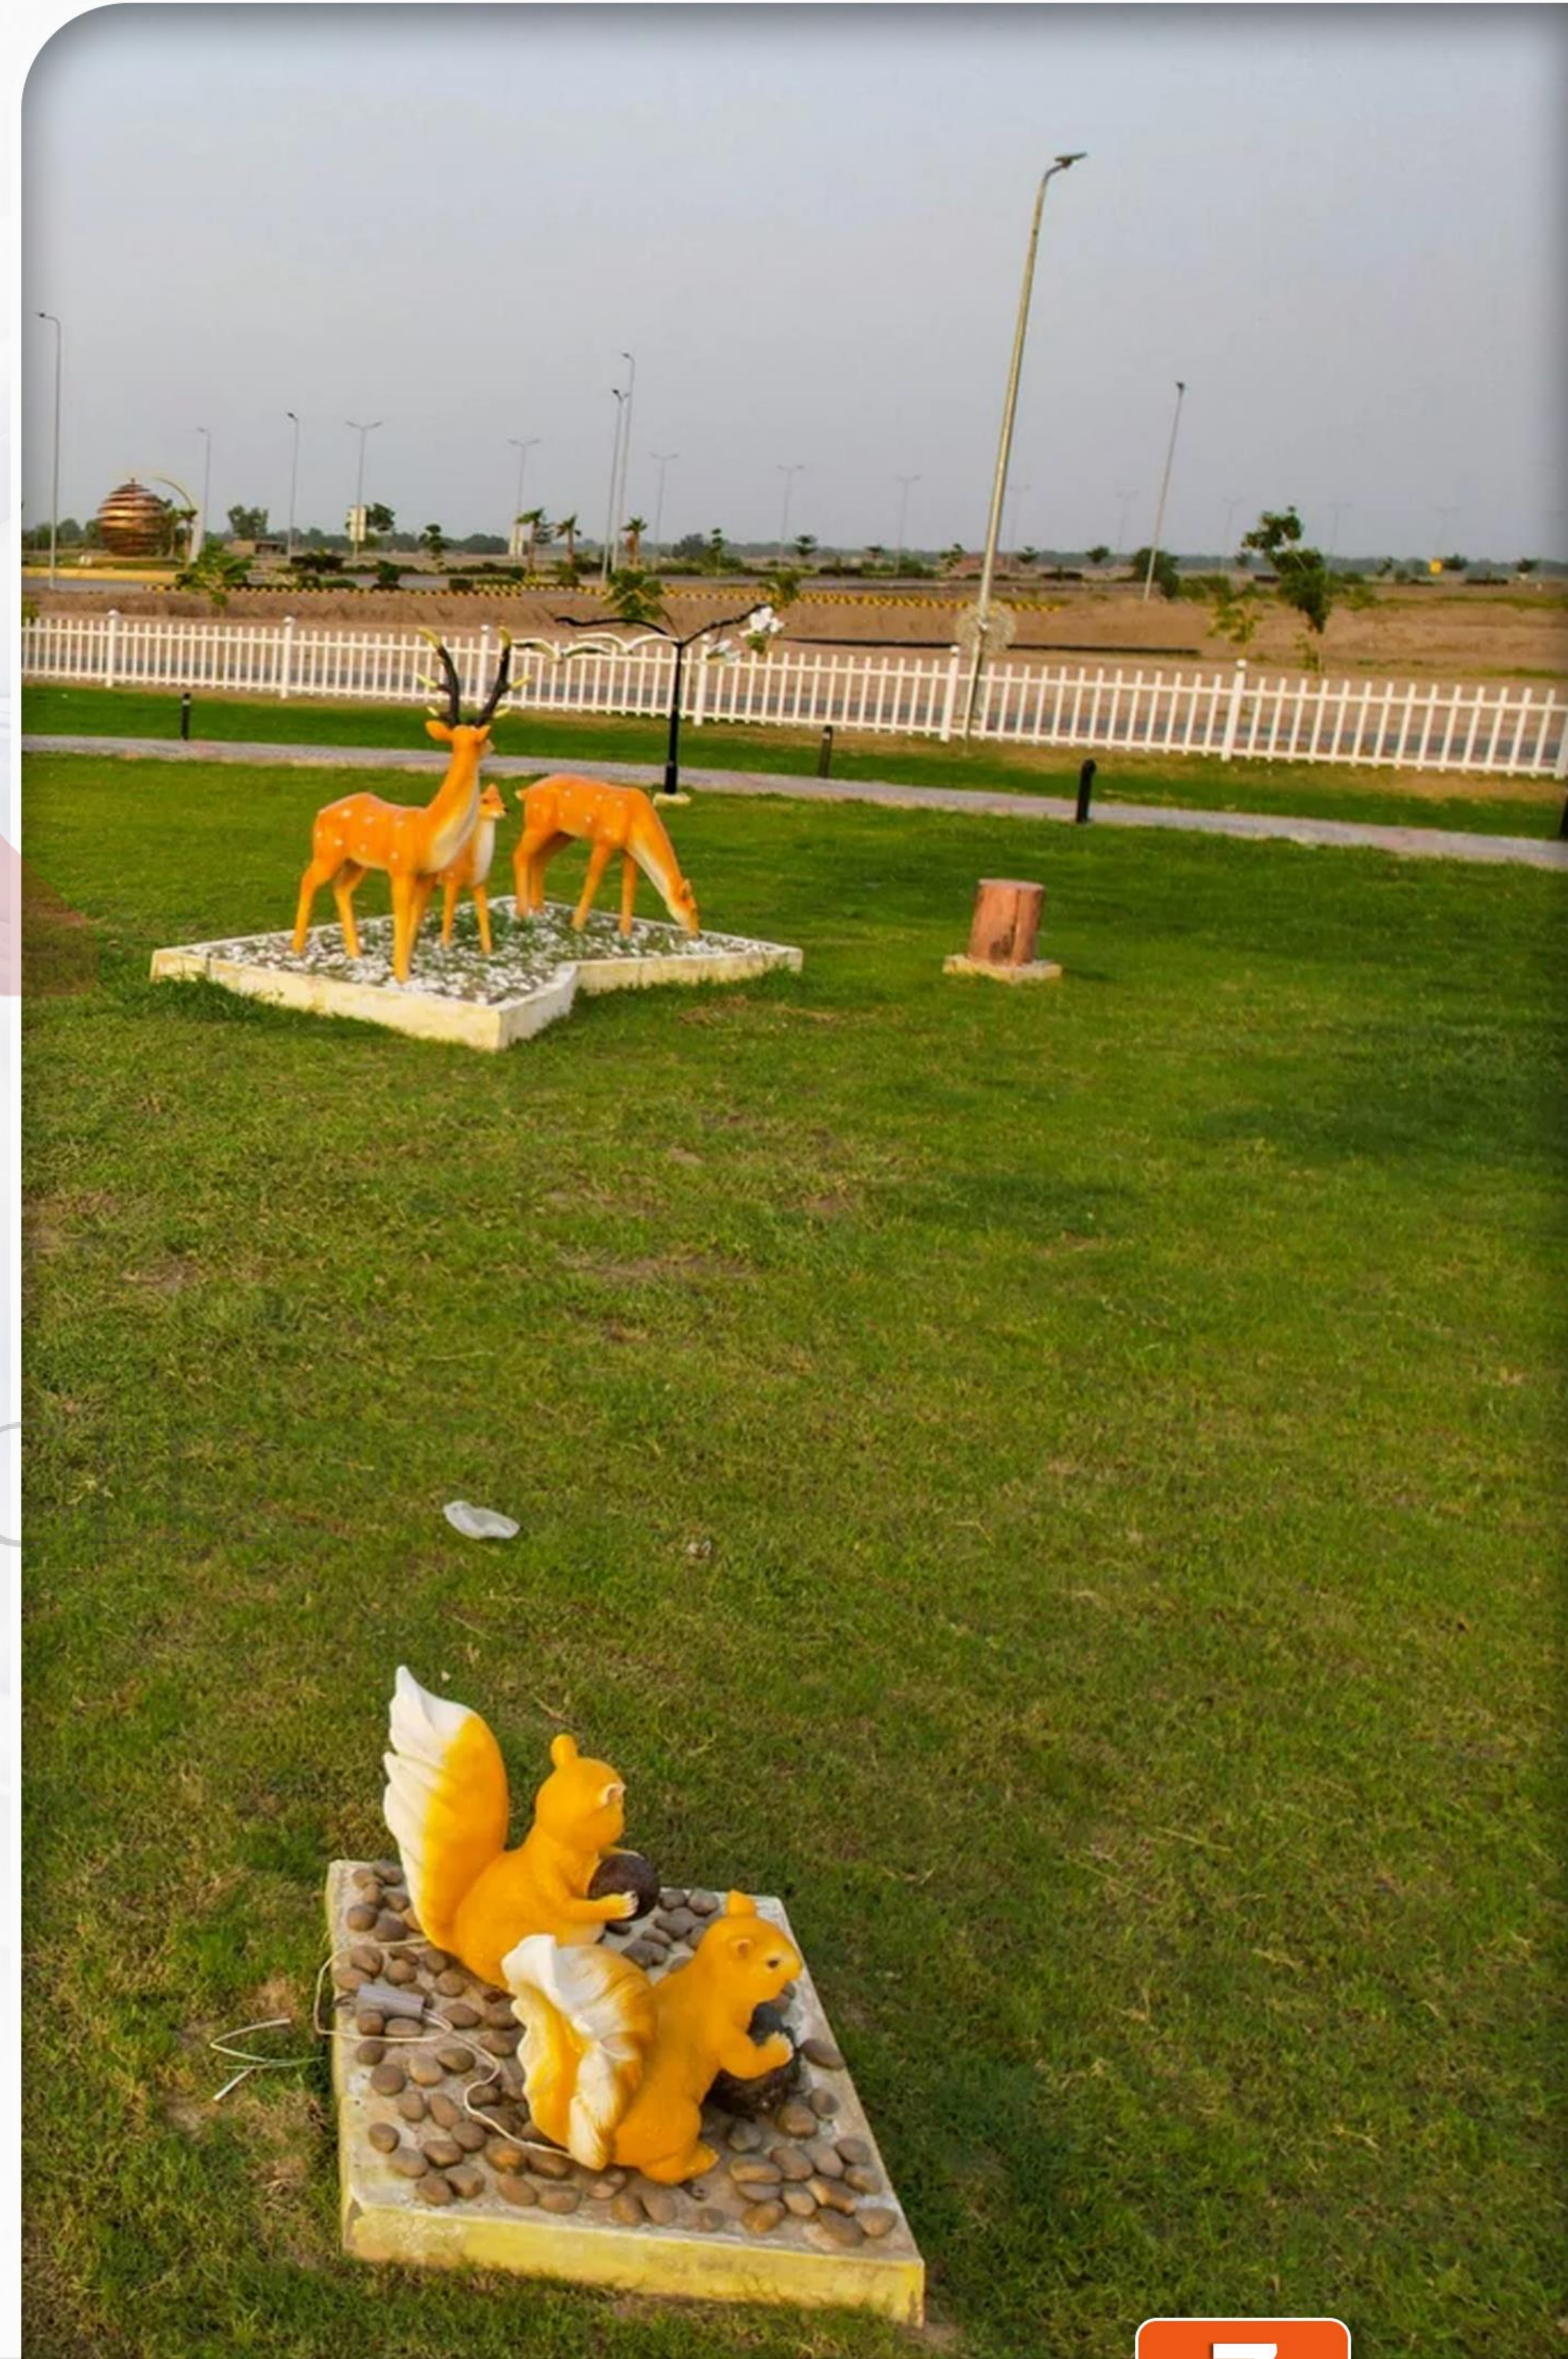

SECURITY GUARDS

Highly trained and professional guards are stationed at key strategic points, ensuring all areas are well guarded and secured.

LANDSCAPED PARKS

FarmCity boasts a meticulously landscaped park adorned with seasonal flowers, complemented by green belts hosting carefully selected trees that improve the Air Quality Index (AQI). The park offer a comfortable sitting to enjoy an evening along the setting-down sun and experience a mesmerizing sunset while watching your kids playing with the pets or swings at the parks and teens having a running and exercising in the fitness arena of the park. FarmCity offers ample space for family events and gatherings.

PLANTATION

Farmcity features beautiful landscapes adorned with seasonal fresh flowers, the colorful sets of the flowers gives vibrant essence that helps you find a peace place with flurry of nature.

Thoughtfully planted trees adorn the green belts, enhancing the society's beauty while improving air quality. Species like ficus increase the Air Quality Index (AQI), providing refreshing oxygen for residents' health and well-being.

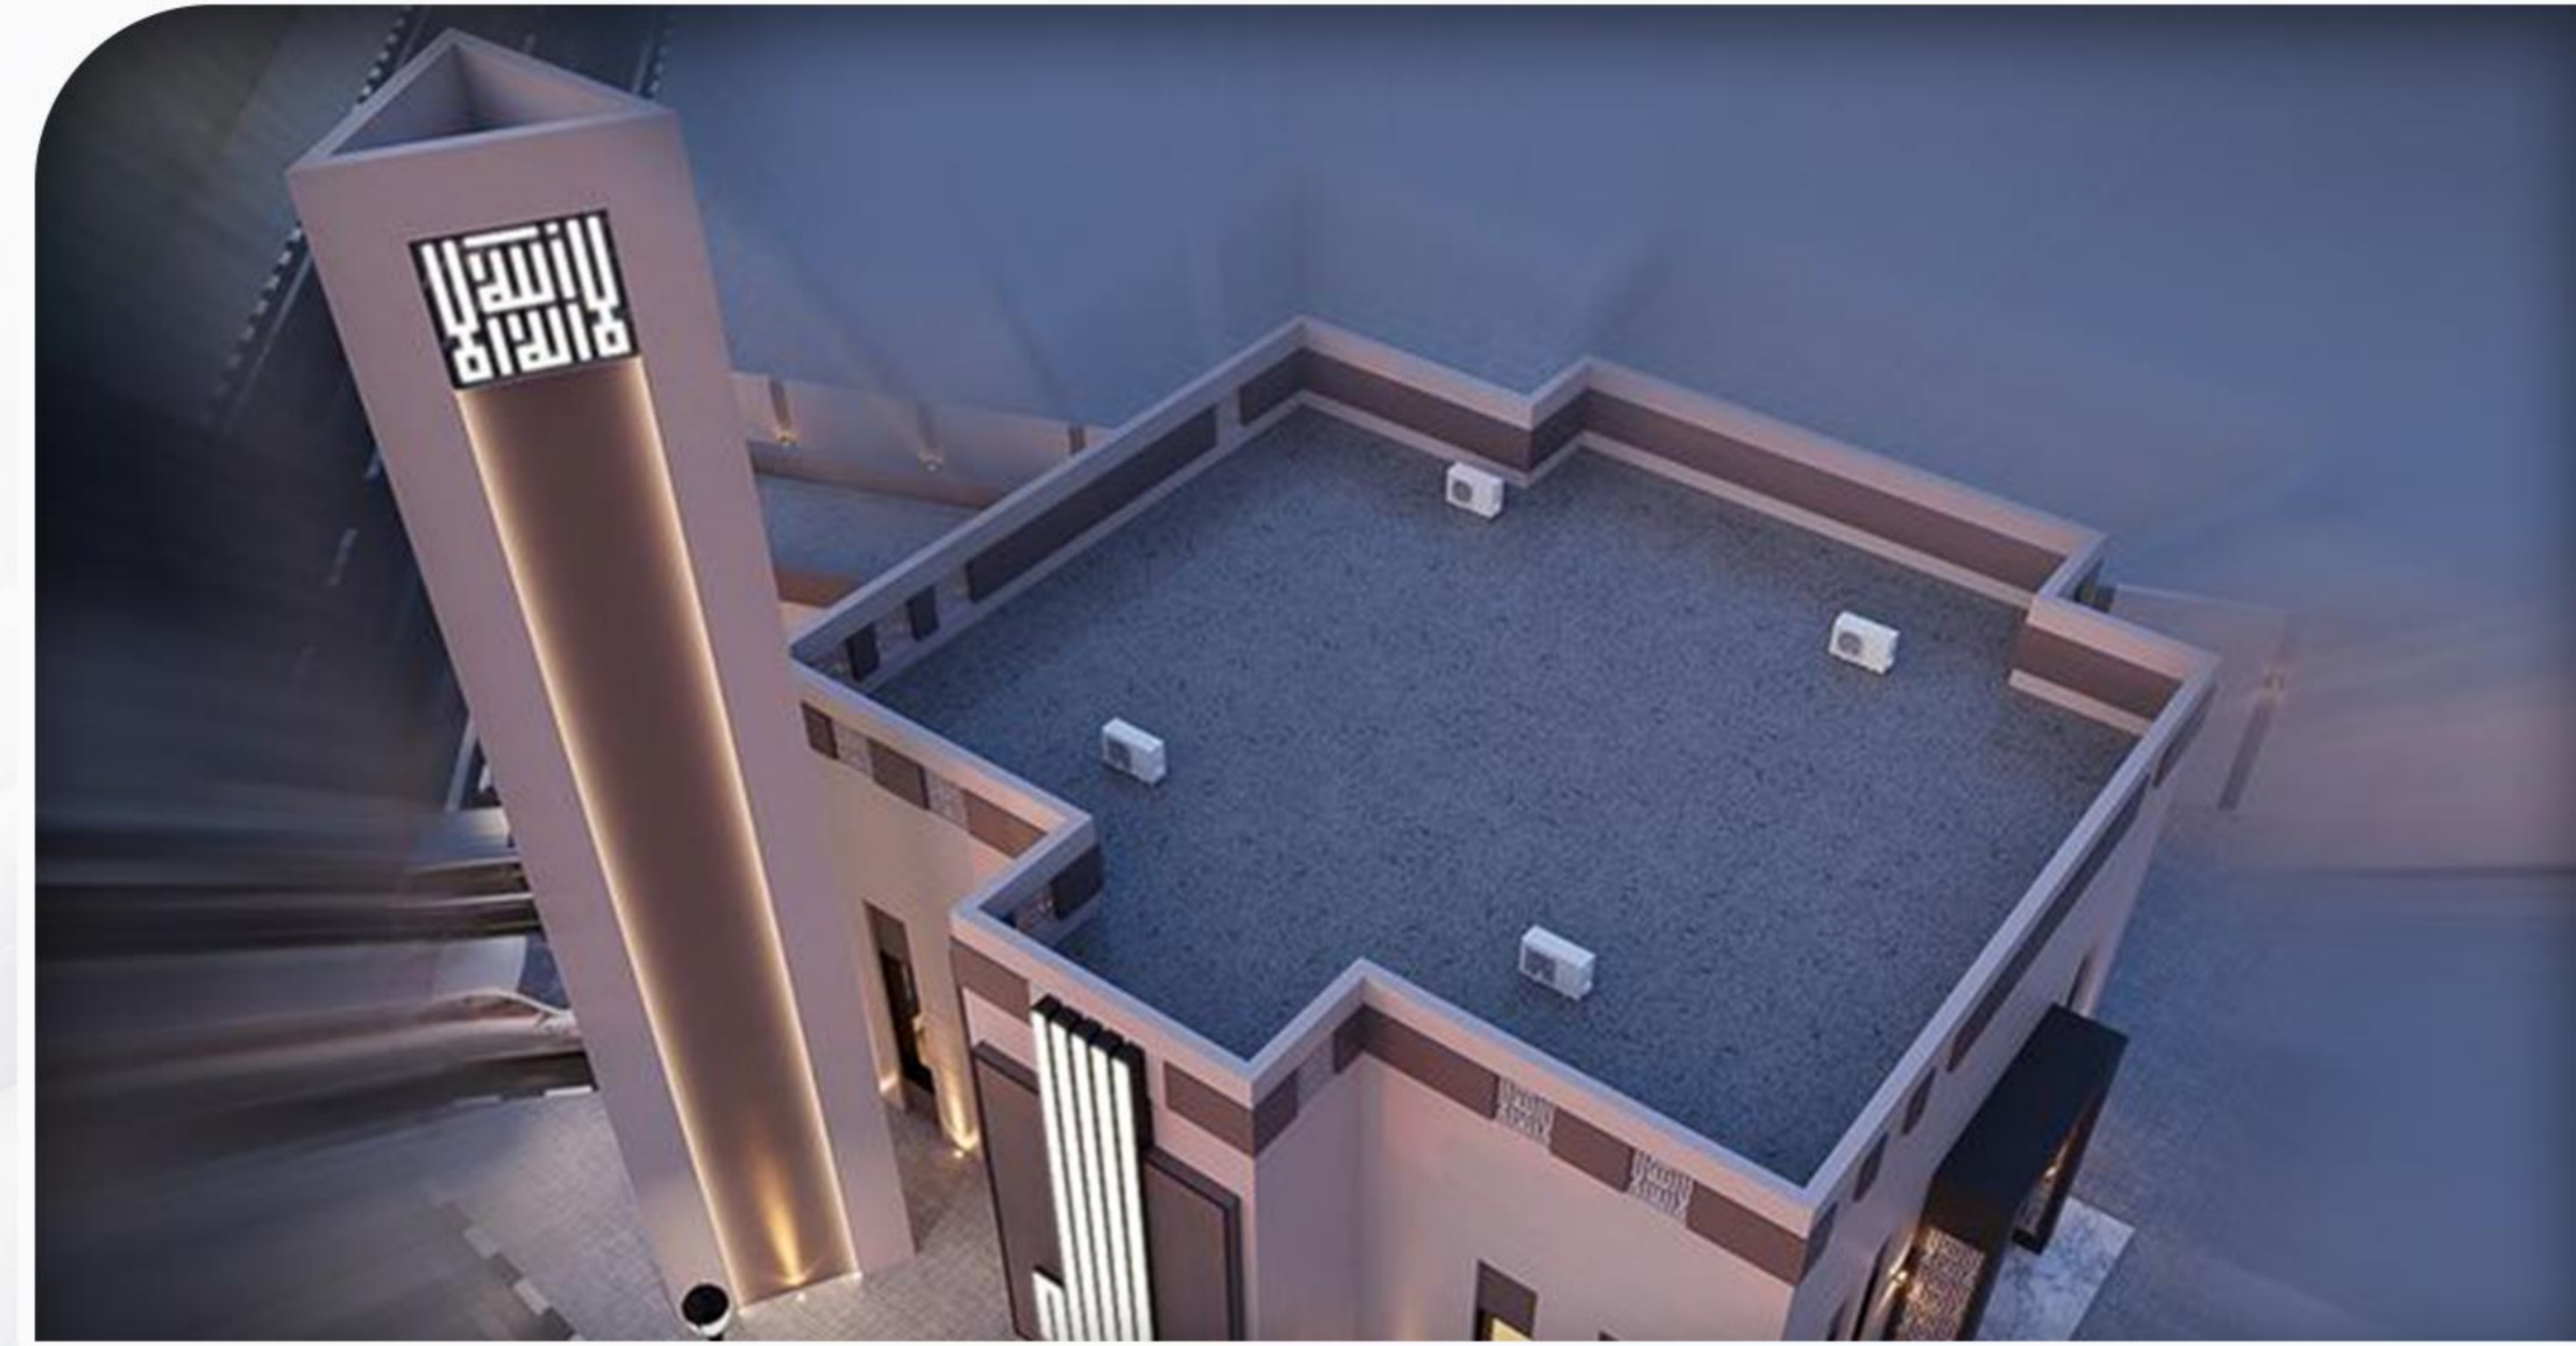

Ficus Multihead, Elaeocarpus, Tabebuia tree, Amaltas tree, yucca tree and dracena tree are some of the key trees and plants which bring-up the charm of FarmCity.

MASJID & SITE OFFICE

At FarmCity, the Masjid Rubina Aslam stands as a heartfelt tribute to the cherished parents of our esteemed Chairman, Zubair Aslam, and CEO, Umair Aslam. Inspired by the enchanting beauty of Middle Eastern Islamic culture, this mosque embodies reverence and tranquility, offering a sanctuary for spiritual reflection.

Adjacent to this sacred space lies our site office, a beacon of hospitality and service for our beloved clients. Here, amidst the serene surroundings, we provide a glimpse into the idyllic countryside living, harmoniously blended with urban amenities. Within the confines of our model farmhouse, we invite all to experience the essence of peace and harmony, guiding them on a journey towards their dream abode in FarmCity.

UNDER CONSTRUCTION FARMHOUSES

It's been only six months FarmCity is launched and developments of FarmCity Villaz are not only completed but people have shown a great interest on the society. It's the trust of RA Empire that not only a flux of plots has been sold, but also, the customers have started constructing their farmhouses.

WHY FARMCITY?

FarmCity Offers a modern contemporary living that not only soothes you with the melodious epitome of birds chirping at the dawn's and sunset's but also lures you with the epic lush green flowers, trees and grasses. FarmCity provides you an alternative for peace and luxury where your soul meets the nature. On the same hand, FarmCity is a secure investment that offers you a great ROI on your investment.
