

PANDANUS PARK – DOS & DON'TS

RUBBISH

If you bring it in take it out! Under no circumstance should you leave rubbish lying around when you leave. Even if you think it will break down eventually, just don't! Lots of people follow the burn vegetable and food scraps and cardboard etc. Some people have a scraps whole they dig so it is buried when they leave. But just note: if you leave rubbish behind in your camp someone has to clean it up! We take this one very seriously!

WATER

The Normanby River runs all year, you can collect water safely at Jacks Creek crossing, it's a campers choice to drink this water or not, if you decide to drink it the old rule applies, BOIL IT FIRST. There are many good filtration devices on the market (i.e. LifeStraw) many pump water out of the river and successfully use these systems.

FIRE WOOD

DO NOT CUT DOWN TREES! (even if they are dead). Firewood can be collected around the park area, campfires are allowed for meal preparation (and in replacement of the TV). However, please be mindful that with so many people visiting each year firewood is a limited commodity, if everyone has raging fires we will simply run out.

DOGS

Dogs are permitted but for the safety and comfort of others MUST be under the owner's control at all times .

RAP

NO DOGS – please leave your dog either tied to your vehicle or at camp.

SERVICE DOGS – it goes without saying, service dogs are more than welcome please ensure they are wearing their service jacket to distinguish them and prevent confusion.

NO CAMPING – no camping within 100 meters of the RAP please.

WILDLIFE

Enjoy the wildlife, do not harm anything.

OTHER CAMPER'S PROPERTY

Respect other campers and their property, do not enter in a camp without permission.

STRUCTURES

No structures to be erected.

TOILETS

Pit or Chemical – Pit toilets 50 meters from water ways, filled in and marked FOUL GROUND on departure.

GENERATORS

Generators are permitted but place them to minimize noise to other campers.

NO CAMP ZONES

Please no camps near the HELI PAD and on camping 100 mtrs either side of the memorial.

DRIVING

REMEMBER YOU ARE RELAXING....drive slowly, keep the dust down, and use bypasses where available.

FIREARMS

"NO FIREARMS" to be visible or used in the Pandanus Park license area.

ENTRY / EXIT

Entry and exit to Pandanus Park is via the KALPOWAR HOMESTEAD road ONLY.

FROM THE PRES:

You have miles of room to camp, don't just find a spot and squeeze in, ask a long termier if he can help you find a nice camp, or call on one of the committee, we know it backwards.
