**Class Description:**

Come along and dive into The Good & The Beautiful - Safety Science! This Biblically engaging class is designed to teach children vital safety information through fun activities and lessons. Join us to ensure that our kids learn essential safety knowledge in an interactive and enjoyable way.

**Class Details:**

Small activities with every lesson

A visit from the local fire department

Vocabulary memorization homework after some classes

\*\*This class will have a few bible verses and reference Christianity

**Week 1:**

What is Safety?

Activity: Introduce safety vocabulary for the semester.

Video: Watch a video titled "What is Safety?"

Reading: Read a book about general safety concepts.

**Week 2:**

Fire Safety

Reading: Read a fire safety book.

Activity: Candle activity to learn about the smell of something burning.

Discussion: Talk about safety steps to take during a fire.

Prevention: Discuss ways to prevent fires.

**Week 3:**

Fire Safety continued

This week we will continue our fire safety discussion and with approval and coordination, we will have the Irmo Fire department visit

**Week 4:**

Water Safety

Reading: Read a water safety book for kids.

Checklist: Review a checklist of things to do before entering water.

Activity: Complete a water safety worksheet.

**Week 5:**

Electrical Safety

Video: Watch an electrical safety video.

Discussion: Discuss electrical safety tips and precautions.

**Week 6:**

Natural Disaster Safety

Activity: Children will pretend to be a tornado to better understand how to react.

Review: Discuss different types of natural disasters.

Worksheet: Complete a worksheet about natural disaster preparedness.

**Week 7:**

God Gave Me a Body

Vocabulary: Review vocabulary related to strangers.

Activity: Complete an activity about dealing with bribery, lies, and threats.

Discussion: Talk about what to do if faced with dangerous situations involving strangers.

### **Week 8:**

#### Safe at Home Alone

Discussion: Talk about home safety when children are alone.

Activity: Complete a "Call 911" sheet, practicing emergency response skills.

### **Week 9:**

#### Kitchen Safety

Discussion: Talk about favorite foods and what each child has helped cook at home.

Safety: Discuss common hazards in the kitchen.

Activity: Make chocolate-covered strawberries and bananas while practicing kitchen safety skills.

### **Week 10:**

#### Technology, Media & Peer Pressure

Vocabulary: Review technology-related vocabulary.

Activity: Complete a hand-tracing activity.

Discussion: Learn the acronym "THINK" and talk about using media safely.

Peer Pressure: Discuss what peer pressure is and how to handle it.

### **Week 11:**

#### Gun Safety

Activity: Color a gun safety worksheet.

Video: Watch a "What Gun Safety for Kids" video.

Discussion: We will discuss/review what we have learned this semester and how we can use it in life

### **Week 12:**

#### Last Class fun!

**HOMESCHOOL**

**COLLABORATORS**

**UNITED**

**CO-OP & HYBRID ACADEMY**

Guest Speaker: If possible, have the local police department (e.g., Irmo Police) speak to the children about gun safety, kitchen safety, safety when home alone & more.
