Class Description:

In this exciting, hands-on class, students will dive into the world of fashion design while learning practical sewing skills. From sketch to stitch, they'll explore the creative process of designing clothing, choosing fabrics, and constructing their own wearable art. Over the course of the class, each student will design and sew 2–3 unique garments,

building confidence in both design thinking and technical sewing. Along the way, they'll learn about patterns, garment construction, and finishing techniques. Students need to be comfortable on their sewing machines.
