Class Description:

In ¡Hola! Spanish Adventure Club, young learners will discover beginner Spanish through songs, movement, games, stories, art, and hands-on activities. Each week introduces useful vocabulary connected to a familiar theme, including greetings, colors, numbers, family, animals, food, feelings, clothing, and the home.

This class emphasizes listening and speaking rather than grammar drills or heavy writing. Students will practice simple conversational phrases, respond to classroom directions, and build confidence using Spanish in a playful and encouraging environment.

Along the way, students will also encounter music, stories, celebrations, and traditions from Spanish-speaking cultures. Repeated opening and closing routines will help key words and phrases become familiar and natural. No previous Spanish experience is needed.
