Class Description:

Welcome to Nature Club! Everyone can benefit from time away from a desk and screens to enjoy the fresh air and sunshine... or clouds! Nature Club is an all weather, outdoor class that will explore the natural world around us by experiencing it first hand. Each week we will dive into a new topic with stories, poetry, art, nature journaling, hand crafts, and free play. Students will need to have appropriate clothing and gear for rain or cold, as class will be held outdoors unless there is severe weather (lightning/ temperature below 40 degrees). I can't wait to explore, discover, and grow together!
