Class Description:

In this fun and imaginative class, young artists will explore the exciting world of mixed media art! Each week, students will experiment with a variety of materials—like paint, paper, fabric, glue, and found objects—to create colorful and creative masterpieces. Through playful projects, they'll learn about layering, texture, and combining different art techniques, all while building fine motor skills and confidence in self-expression. This class is all about creativity, exploration, and having fun with art!
