Class Description:

Character Quest: Building Confidence, Courage, & Resilience

Join us on an exciting journey through stories that inspire confidence, persistence, and courage! Did you know confidence drops tremendously around age 8? In this class, we'll explore books that teach valuable life lessons, from believing in yourself to overcoming challenges with bravery and determination. Each week, we'll read a story, discuss its message, and participate in fun activities that bring the lessons to life.

Through hands-on projects, role-playing, and creative reflections, kids will gain practical tools to face obstacles, handle setbacks, and embrace their strengths. This class is structured like a Bible study but focuses on character-building stories that encourage kids to grow into confident and resilient individuals.

By the end of our adventure, students will have their own "Character Quest Journal" filled with lessons, reflections, and memories from the class. Come ready to read, reflect, and grow!
