Class Description:

Drama Class – The Crimson Compass

In Drama this year, we will be bringing The Crimson Compass to life over the fall and spring semesters. This exciting production is a swashbuckling pirate adventure — and the entire play rhymes!

Students will participate in auditions, and every student will receive a role in the production. Throughout the year, they will develop acting skills, stage presence, character development, and teamwork as we rehearse and prepare for performance.

Our show will be performed in a rented professional theater, giving students the opportunity to experience performing on a real stage in front of a live audience.

Students and parents are responsible for providing costumes, with guidance and direction given for each role.

We can't wait to set sail on this fun and creative adventure together! 🚢
