In this class, we will spend the first 15-20 minutes of class having a round table bible study lesson and the remainder of class will be spent practicing and singing our songs. If you would like to follow along with the bible study, we will be reading a few pages from [The Bible Made Easy Book](#) and then discussing. You can purchase from Amazon. It's the same book utilized in Bible Jeopardy class from the Spring Semester. A few weeks before our performance, we will conclude our bible study and focus primarily on the songs.

This is your MODERN day choir so no hymns! We will be singing upbeat-tempo songs from artists like Toby Mac, Austin French, Lecrae, etc.

**No Weekly sequence given: all weeks will look the same, bible lesson & singing!**
