

Class Title: BLUE/ORANGE Clay Sculpting

Teacher Name: Tiziana Buell and Joy Wright

Class Day: Monday

Class Size: 18

Class Cost: \$40

Ages or color group served: Blue & Orange

What level is this class: Level 3

Prerequisites: Responsibility, as they will be required to bring in their materials to class each week.

Must be mature enough to follow multiple directions. This is process heavy art.

Graduation Requirements: Yes, must complete your project by week 12 for display at the end of the semester.

Homework Requirements: Some weeks they will have to research or complete what wasn't finished in class.

Class Description:

Step by step creature sculpture using polymer clay. Using various sculpting techniques, students will learn how to build a frame, sculpt armatures, add texture and details to their clay design. At the end we will bake them, and students will paint them for the end of semester display.

Week 1:

Introduction to sculpture and brainstorming ideas

Week 2:

Composition and sketch design

Week 3:

Building your frame with wire and mesh

Week 4:

Continue with the frame and discuss dynamic positions.

Week 5:

Begin clay form, blocking basic form.

Week 6:

Refining clay form

Week 7:

Defining the anatomy including building the head and musculature

Week 8:

Defining the anatomy such as scales and wings

Week 9:

Adding texture using various methods

Week 10:

Refinements need to be made prior to baking.

Week 11:

Begin painting.

Week 12:

Finish painting and add the last details. Teachers will take it home at week 12 and we'll bring it to our end-of-semester graduation for display where you can then take it home.
