**Class Fee:** \$96

**Ages or color group served:** Green

**What level is this class:** Level 1

**Prerequisites:** Need to know how to use scissors and glue (glue stick and liquid)

**Graduation Requirements:** NA

**Homework Requirements:** NA

**Class Description:**

What does the bald eagle stand for? Why do we say the Pledge of Allegiance? Why is the Statue of Liberty holding a torch? In this fun, hands-on class, young learners will explore the most important symbols of the United States and discover what they mean.

Each week, students will dive into a new American symbol—like the U.S. flag, the Liberty Bell, or the Lincoln Memorial—through stories, crafts, songs, and games. They'll learn not just what these symbols are, but why they matter and how they represent the values of freedom, unity, and hope.

We'll use creative activities like building monuments, designing flags, and making eagle puppets to help bring each symbol to life. The class ends with a special Symbols Celebration Party, where students will enjoy a Photo Booth and play games to celebrate all they've learned.

This class is perfect for curious young patriots who love art, stories, and learning through play!
