

**Class Title:** Preschool Fall Friends Garden Club

**Teacher Name:** Brandi Williams

**Class Day:** Monday and Friday

**Class Size:** 15

**Class Supply Fee:** \$33

**Class Fee:** \$288

**Ages or color group served:** Preschool

**What level is this class:** Level 0

**Prerequisites:** NA

**Graduation Requirements:** NA

**Homework Requirements:** NA

**Class Description:**

**Program Overview**

Fall Friends Garden Club is a joyful, hands-on gardening class for preschoolers that invites children into the wonder of the fall season through nature exploration, planting, and harvesting. Rooted in sensory play, seasonal rhythms, and early science, the club offers a warm and engaging space for young children to connect with the natural world and each other.

Held twice weekly over twelve weeks, this program supports early childhood development through purposeful outdoor activities, storytelling, movement, and observation. Children will learn how plants grow, care for their own garden space, and discover the creatures and changes that make fall so special.

**Week 1:**

Welcome to the Garden | Garden tour & safety rules | Sensory Garden Walk & scavenger hunt

**Week 2:**

Soil & Seeds | Explore soil with magnifiers, dirt play | Seed sorting & matching activities

**Week 3:**

Planting Cool Weather Crops | Plant lettuce, radishes, carrots | Watering routines & seed song

**Week 4:**

What Plants Need | Sun, soil, water experiment | Role-play: "Be a plant" movement game
