

**Class Title:** Green / Blue Agriculture

**Teacher Name:** Anna Roman

**Class Day:** Friday

**Class Size:** 14

**Class Cost:** \$26

**Class Fee:** \$96

**Ages or color group served:** Green and Blue

**What level is this class:** Level 0

**Prerequisites:** NA

**Graduation Requirements:** NA

**Homework Requirements:** NA

## **Class Description:**

The agriculture class will introduce students to the fascinating world of farms, plants, animals, and the journey of food from farm to table. Through interactive lessons, engaging stations, and creative activities, students will explore how farms grow plants, raise animals, and support our daily lives. Each week focuses on a new aspect of agriculture, combining lessons with tactile, exploratory learning to spark curiosity and understanding.
