Class Size: 15

Class Cost: \$60

Class Fee: \$96

Ages or color group served: Green

What level is this class: Level 0

Prerequisites: NA

Graduation Requirements: NA

Homework Requirements: NA

Class Description:

Kids Around the World is an engaging class that introduces young learners to the beautiful diversity of our global community. Through hands-on activities, crafts, music, stories, and games, students will explore how children live in different parts of the world.

We will learn about homes, foods, clothing, celebrations, music, and daily life across cultures while fostering respect, curiosity, and appreciation for differences. This class encourages kindness, cultural awareness, and a broader understanding of the world in a fun and age-appropriate way.

Students will:

Explore cultures and traditions from around the world

Learn how people live, celebrate, and communicate

Build respect and appreciation for differences

Develop curiosity about our global community

Participate in hands-on crafts and interactive activities

This class helps children grow into thoughtful, respectful global citizens.

Week 1:

One World, Many People

We will learn:

Earth is home to many different people and cultures

Everyone lives somewhere on our shared planet

Our classroom is part of a global community

Why it matters: Builds belonging and global awareness

Week 2:

Homes Around the World

We will learn:

People build homes based on climate and environment

Homes can be different but serve the same purpose
Why it matters: Encourages understanding of diversity
Activity: Create models of different homes.

Week 3:

Clothing & Weather

We will learn:

Clothing helps protect us from weather

Traditional clothing reflects culture and history

Why it matters: Helps children understand cultural identity

Week 4:

Foods Around the World

We will learn:

Geography influences what people eat

Families share meals in different ways

Why it matters: Builds cultural appreciation and curiosity.

Week 5:

Schools Around the World

We will learn:

Children learn in different environments

School routines vary globally

Why it matters: Encourages gratitude for education

Week 6:

Celebrations & Traditions

We will learn:

Celebrations reflect culture and beliefs

Families celebrate in meaningful ways

Why it matters: Builds respect for traditions

Week 7:

Music & Dance

We will learn:

Music is part of every culture

Movement and rhythm express traditions

Why it matters: Encourages cultural expression

Week 8:

Games Children Play Worldwide

We will learn:

Children everywhere enjoy play

Games reflect culture and creativity

Why it matters: Builds connection and shared humanity

Week 9:

Animals Around the World

We will learn:

Animals live in specific regions

Habitats support different wildlife

Why it matters: Introduces geography & ecosystems

Week 10:

Transportation Around the World

We will learn:

People travel differently depending on geography

Transportation meets community needs

Why it matters: Connects geography with daily life

Week 11:

Kindness Across Cultures

We will learn:

Kindness is valued worldwide

Respect and caring connect people everywhere

Why it matters: Builds empathy and global citizenship

Week 12:

World Celebration & Review

We will learn:

Review cultures explored

Celebrate diversity and shared humanity

Why it matters: Reinforces appreciation and respect

Activity: Passport review & favorite culture sharing
