

## Quarterly Newsletter April-May-June, 2022

We've been busy!! At the beginning of April, Culum Family Ministries was able to visit the village of Rosario in San Marcos. Candy bags were passed out, provisions were given to families, and the love of Christ was shared to the children. Through the Gospel, God softened the hearts of 24 children, who all put their hope and trust in Jesus as their Savior! Please pray that we would mimic Paul: "To the weak I became weak, that I might win the weak. I have become all things to all people, that by all means I might save some." (1 Cor. 9:22)

As summer is upon us, the rainy season arrives for Guatemala! There has been a great uptake of flooding, along with landslides, making travel difficult. Pray for the safety of the team and the villages where CFM is planning to hold events, as well as the villages we have already visited, that God would sustain the people there, that those who might hear the Gospel for the first time would have their hearts softened, and that the Lord would place upon CFM leaders the conviction to visit the villages God wants CFM to visit.

### PRAYER REQUESTS

- Pray for Pastor Antonio's church as he ministers to the membership and community.
- Pray for God's protection over the Culum Family: Antonio, Cristi, and Sara.
- Pray for needs to be met, as prices of gasoline and supplies continue to rise.
