

Culum Family Ministries

2023 Quarter 3 Newsletter

Paul starts his letter to the Corinthian church by saying, "... to those sanctified in Christ Jesus, called to be saints together with all those who in every place call upon the name of our Lord Jesus Christ. . .

CFM's ministry took us all over Guatemala this quarter and to a variety of people. But this is God's people: **all** people in **every** place who call on Jesus's name. And so we have gone out this quarter to all places, sharing the gospel to pastors in need of encouragement and young children yearning for Jesus.

Planting Seeds in New Locations

God allowed CFM to minister to 100 children and 40 adults at a local public school in La Floresta, Guatemala. In all, 25 families heard the gospel and received a bag of provisions on September 9.

Bringing the Gospel to San Marcos

August 19, CFM-Growing Together held a ministry event in Tecum, San Marcos. We are thankful for the families who were able to attend. Through laughter and lessons, God reached out to little ones seeking Him. As a result, 27 children came to know Christ!

Our Largest Event This Quarter

On July, 22, CFM - Growing Together had the joy of ministering in the village of Caahuatan, located in Chiapas, Mexico. Children and families enjoyed games and a meal, as well as being provided with basic necessities. Most importantly 75 children heard the gospel. Out of 27 families there, many are unbelievers.

Encouraging Local Pastors

What a joy and a privilege to join with other pastors to share the Word as well as encouragement. On August 14, CFM- Growing Together held an event for local pastors. 16 pastors in all gathered and Pastor Antonio spoke to them from Exodus 18:13-27. His main teaching was on the importance of reaching children for the Lord, as they are the future of the church.
