Nearly 20 million individuals and their families are affected by addiction or substance use disorders every year. It can happen to anyone, any family, anywhere. Caring about, living with, or loving a person with an addictive disease can be challenging. Learning about SUD, treatment, and recovery can help you relate to and support your loved ones on their path to recovery.

OUR FAMILY SUPPORT NAVIGATOR UTILIZES THEIR OWN FAMILY RECOVERY EXPERIENCE TO ENGAGE WITH THOSE WHO HAVE, OR HAVE LOST, A LOVED ONE WITH A SUBSTANCE USE DISORDER

Our Vision
