Teacher's Guide:

Seven Sacraments Chart

This supplemental activity was created to go along with our sacraments posters, coloring pages, and mini book sets. Each sacrament is listed as an individual resource, or you can save quite a bit by picking up the complete bundle here. Click on the image below to find the bundle... the individual resources are linked in the description as well.

To use this activity, make a copy of the blank sacraments page. Each student should get one strip of the pictures in black and white. They are out of order, so students will need to look at the color poster in order to place them correctly. The poster sets available in our store go over the symbols of each sacrament into much greater detail!
