# Holiday decorating by Ruth Casper Design

We have a few open appointments for decorating your home for the holidays! We offer two options: Thanksgiving or Christmas Tablescape or Indoor Holiday Decorating. Either option involves a consult where we look at the space, your current decor or tableware, and any inspiration you may have. We will then shop if necessary and take care of everything! Please contact Patty to make your consult appointment.

# GET ORGANIZED

EACH MONTH: STEP CLOSER TO LESS CLUTTER

Organization in our life is often a goal, but it can be overwhelming! Each month we will suggest one item to go through and toss in your home. Hopefully by working in small categories, it will help you on your journey to a less clutter. It shouldn't take long, and if you are inspired to do more, let us know how we can help!

## THIS MONTH: Nightstand

Do you have a random water bottle, collection of books and writing utensils on top of your nightstand? Is the drawer full of items that have not seen the light of day in years? It is time to clear it away. Often, we see in magazines a styled nightstand with flowers, a lamp and a water carafe or books. There is nothing wrong with a calm, clear surface we see right before bed. Don't be afraid to clear it all away.
