A Year of Thankfulness

This year has been full of health challenges in the lives of so many of our friends and loved ones. It has made us reflect on the fragility of life but also the spirit of giving in those around us. From creating a food chain to hospital visits, from designing spaces for the family as well as the sick, we have come away from 2023 with mutual respect and thankfulness for the generosity of others. We have connected so many this year who have had an impact on each other's lives, and we are so grateful to all of you for you continued support and love.

SCRIPTURE SPOTLIGHT

*Shout for joy to the Lord,
all the earth, burst into
jubilant song with music."*

PSALM 98:4

Joy to the world. God wants us to sing! In the psalms alone, He asks us to sing over and over, and Christmas is certainly a time full of song. It is with constant song that we praise the birth of Jesus and the love God has for us. So sing loud, sing proud this holiday season whether you know all of the words or can't carry a tune, God wants us to raise our voices.

GET ORGANIZED

EACH MONTH: STEP CLOSER TO LESS CLUTTER

Organization in our life is often a goal, but it can be overwhelming! Each month we will suggest one item to go through and toss in your home. Hopefully by working in small categories, it will help you on your journey to a less clutter. It shouldn't take long, and if you are inspired to do more, let us know how we can help!

THIS MONTH: Plates and Bowls

This time of year, many of us host, therefore, we use ALL of our plates and bowls. This is a great time to look for wear. If there is discoloration, knife or spoon marks, chips, or general issues, toss them. If you also have China that you only use occasionally, do you still need it all? Is it time to pass it down or consolidate. This is the perfect time to evaluate.

Barrington
Bunny

I command you to love each other in the same way that I love you. John 15:12 Tis is the lesson of the parable of Barrington Bunny. Patty's dad read this story every Christmas season, and while it is not a "happy ending" story, it had a huge impact on her memories as a child. The parallels between the sacrifice He makes for us is clear in the moral of this Christmas Eve story.
