GET ORGANIZED

EACH MONTH: STEP CLOSER TO LESS CLUTTER

Organization is often a goal in homes, but it can be overwhelming! Each month we will suggest one item to go through and toss in your home. Hopefully by working in small categories, it will help you on your journey to a less clutter. It shouldn't take long, and if you are inspired to do more, let us know how we can help!

THIS MONTH: Glassware

When we think of going through our glassware, we often think of our everyday drinkware, but what about bar glasses we never use, souvenir shot glasses, mugs, or even water bottles (although usually not glass). It is time to purge to what we actually need/ use.
