## What is The Suite Dreams Project?

One of our beloved Charities, Suite Dreams Project has connected with the Ruth Casper Design Team. Suite Dreams is a unique and innovative Michigan non-profit organization whose focus is to serve children and families by transforming their bedrooms into beautiful healing spaces where they can rest and recover. The Suite Dreams Project utilizes designers and volunteers to create these unique environments complete with healing elements specific to the needs of each child. Every year Suite Dreams brings more children these unique, joyful and comforting environments. They receive referrals from top pediatric hospitals in the country located in Michigan, and they have strong partnerships with **Make a Wish Foundation of Michigan** and **CARE House of Oakland County**.

## How can you help Ruth?

Ruth has been chosen to help an Oakland County family create a healing space. The girl we will be designing for is a bright light to her mom and participates in music, sports, and LOVES horses. Unfortunately, she has frequent seizures that have disrupted her life and mental development. She is excited to have us create a soothing space for her horse collection and all of her baby dolls. We are in need of donations to transform this space for all of her needs. We have created an Amazon Wish list, linked here. We can't purchase everything we need on Amazon, so we are also accepting checks to go towards shelving solutions, closet organization system, a new bed, and flooring. If you would like to donate, please send a check made out to Ruth Casper Design. Send to 1700 Stutz Dr., Suite 102E, Troy, MI 48084

Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously.

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

**The power of Service.** There has been so much media lately about self-care and its benefits, unfortunately, research has shown that the positive affects don't last long. However, helping others through service has a longer lasting boost of happiness and positivity. Here is an excellent article about the power of service. [Link to article](#)

### THIS MONTH: Shoes

It is time to figure out which shoes are worn out, which you never reach for, and which just truly don't feel good on your feet. You can throw away your worn shoes and donate to several places or sell shoes in great condition on many online sites. [Donate shoes](#)
