RUTH CASPER DESIGN STUDIO MONTHLY NEWSLETTER

This year has deviated significantly from our initial expectations. Despite outlining our objectives for the year in early January, unforeseen circumstances swiftly altered our trajectory. The support extended to the Casper family through prayers, positive energy, and meals has been deeply appreciated. Ruth's husband, Jim is currently making strides towards recovery after a serious car accident, while Aimee and Patty are diligently ensuring our clients receive the attention they deserve.

GET ORGANIZED

EACH MONTH: STEP CLOSER TO LESS CLUTTER

Organization in our life is often a goal, but it can be overwhelming! Each month we will suggest one item to go through and toss in your home. Hopefully by working in small categories, it will help you on your journey to a less clutter. It shouldn't take long, and if you are inspired to do more, let us know how we can help

THIS MONTH: SOCKS

They definitely wear out and often lose their mate, of course I am talking about socks. It is time to finish all the laundry and truly figure out which socks need to be discarded. Once you have sorted through and gotten rid of all those that are wearing through, have holes, or will never find their partner, I would recommend buying your favorite sock in one color, in bulk. There will be no need to match them any longer, and if one needs to be tossed, there are plenty of others that will still match. This is especially easy for kids socks. Here is a link to my absolute favorite sock company. They are certainly not cheap, but they last and for each pair purchased, one is donated. [Bombas](#)
