Holiday drinks

Warm and cozy by the fire or around the Christmas tree, warm beverages are a must. Here are a few variations that we love.

Hot Chocolate bar

This can be for kids and adults. Some people like to have hot water available and use hot coca mix, or you can make it ahead and have it in a crockpot. Both can be messy, so be prepared.

Have on hand

mini marshmallows (Can do different shapes too)
whipped cream
chocolate shavings
crushed peppermints
white chocolate chips
Carmel and chocolate syrup
red sugar
cinnamon
toasted coconut
sprinkles

For adults:

Baileys
Butterscotch schnapps
whipped cream vodka
Kahlua
Amaretto

Coffee Bar

A coffee bar isn't too different from the hot chocolate bar with the exception of kids partaking. If you are lucky enough to have a specialty coffee system, you can make lattes, etc. Here are some switch ups for adults. You may also want to include some recipe ideas on cards.

Have on hand

cinnamon
white chocolate chips
Carmel and chocolate syrup
flavored pump syrups
whipped cream
crushed peppermints
chocolate shavings
toasted coconut
flavored creamers

For adults:

Baileys
Peppermint schnapps
Hazelnut liqueur
Chocolate liqueur
Brandy
Kahlua
Amaretto
Bourbon
Grand Marnier
Whiskey

GET ORGANIZED

EACH MONTH: STEP CLOSER TO LESS CLUTTER

Organization is often a goal in homes, but it can be overwhelming! Each month we will suggest one item to go through and toss in your home. Hopefully by working in small categories, it will help you on your journey to a less clutter. It shouldn't take long, and if you are inspired to do more, let us know. We can help with a more advanced plan for organizing any space in your home.

THIS MONTH: Holiday decor

As you are unboxing or putting away holiday decor this year, be purposeful with each piece. Do you still love it? Has it gone out of style? Does it look as if it has had better days? Is it chipped or cracked? Discard any items you don't love: Suggestions are to donate, use as a gift wrapping topper, a White Elephant gift.

Suite Support

Ruth Casper Design was fortunate to bring into the studio Sheri Daugherty, director of the Suite Dreams Project to share with other designers and vendors what the non-profit is all about. Ruth and Aimee worked with this charitable organization in the past and were able to share their own experiences with creating a dream bedroom for a sick child. The Suite Dreams Project has been designing and improving the homes of chronically ill and traumatized children all over Michigan for more than 20 years. To help this amazing charity, check out their website or contact Patty for more information. patty@ruthcasperdesign
