Author's new book receives a warm literary welcome.

Readers' Favorite announces the review of the Young Adult - Fantasy - Epic book "Under the Horn of Hearth" by S.P. Rowe, currently available at <http://www.amazon.com/gp/product/B0F28BPQC8>.

Readers' Favorite is one of the largest book review and award contest sites on the Internet. They have earned the respect of renowned publishers like Random House, Simon & Schuster, and Harper Collins, and have received the "Best Websites for Authors" and "Honoring Excellence" awards from the Association of Independent Authors. They are also fully accredited by the BBB (A+ rating), which is a rarity among Book Review and Book Award Contest companies.

"Reviewed By Mary Clarke for Readers' Favorite

Under the Horn of Hearth: Northland Frail by S.P. Rowe is an exciting fantasy that features two brothers, Erlann and Rolf, young warriors of Northland. The story kicks off

when they steal their father, Tyr's, sword. This act stirred up a series of events that led them to fight against their ruthless uncle, Thane, who wanted to harness the power of an ancient wolf, Fenreir, and take the crown of Northland. Erlann had to struggle with a shocking prophecy that he would become king, presiding over his brother Rolf's funeral pyre. As Thane's Stafntaki warriors started attacking Alstead, the brothers, along with friends like Marin and Loa, had to fight to protect their city and challenge their fate, with battles, betrayals, and sacrifices.

I was really impressed by *Under the Horn of Hearth: Northland Frail*. I found myself reading all day. The world-building was detailed and clear, with places like Stalden Keep and the Icy Isen Mur feeling real and full of history. The character development was another standout aspect; it was top-notch. Erlann's fear of his prophecy and Rolf's guilt hit me hard; I could not help but root for them, keeping my hopes high that their fates would change. Although Thane was the antagonist, I loved his tactics and relentless pursuit of power. I love the fact that S.P. Rowe did not make him a weak or completely bad person. Instead, the author showed his past losses and how he became what he was, which made him human, too. The mythical beings, places, and mythology show that S.P. Rowe is an experienced writer and pays attention to detail. I recommend *Under the Horn of Hearth* to lovers of epic fantasy novels that cover themes of power and loyalty. Readers who love books with strong character development and deep worldbuilding will love this too."
