

Governor Greg Abbott
Office of the Governor
PO Box 12428
Austin, TX 78711-2428

Dear Governor Abbott,

Today our dear state of Texas is being attacked. Millions of illegal aliens are flowing across our border. It is impacting every aspect of our life. From damage to our farm lands, to the large increases in crime. And the citizens of Texas are paying for this in many ways, some have even lost their life due to this crisis at the border.

As a citizen of Texas, I strongly encourage you to declare this what it is, an **invasion**. It is time for you to take the power away from a federal government that does not have the best interest of Texas or of the United States at heart. You can save Texas! It is time.

Sincerely,
