

PROTECTING UNACCOMPANIED CHILDREN

House Bill 162

State Representative Kitzman

Relating to certain duties of the owner or operator of a residential child detention facility.

1

Conduct background checks of all personnel.

2

Criminal history of all personnel.

3

Report illnesses at the facility to the appropriate local health authority.

4

Describe the facility's methods for preventing illness.

5

Create and provide emergency evacuation plans.

7

Submit quarterly compliance and safety inspection reports.

6

Create and maintain an education plan for the children residing at the facility for submission to and regulation by the state.

8

Maintain monthly facility occupancy records.

9

The facility or organization shall conduct a criminal history background check on all facility personnel if at least 10% of the facility's operating expenses are provided directly or indirectly by the state.
