SHIPPING DETAILS

ALAB uses Pakair to deliver Chilled semen. Pakair Cargo is a time critical, temperature sensitive specialised life sciences air courier solution. Should you wish to use your own courier, ALAB will advise when semen will be ready, so you can organise to collect it.

Please tick below the freight option you have chosen. Freight costs are based on weekday deliveries. A surcharge will be included if deliveries are made on weekends or public holidays. Door to door deliveries will be charged at a rate depending on location, day and time of delivery.
