A note from the Unity Garden

Hello I'm Natalyn Richards, I am new to the Lakeville Unity Garden. For those that don't know where the garden is it is off Jefferson St., on Sunset. (Behind the Palmer Complex in that subdivision). It is improving week by week, but it needs some community involvement, so please stop by and visit the garden, and perhaps pitch in on cleaning it up. I will be stopping by after work in early evening (weekends 4-6) and definitely during the day on the weekends. I am going to think of some fun activities that might get some community involvement set up. Remember this is a community garden ALL is WELCOME! Please feel free to contact me with any questions or ideas 574-876-3764 Let's have a great growing season! Natalyn Richards
