**We are a little bit different...  
and sometimes different is a  
great thing**

We have heard it so many times  
"I can't come to your church, I don't ride a motorcycle"

Biker Church has always been open to everyone and the people in our church represent that. We have people from all walks of life from young families and kids to grandparents. We believe that there is a place for everyone and a church for everyone. Come kick the tires at Biker Church some Sunday, you might just find what you've been looking for
