Utility Supervisor: Finished Filter Media on other 2 tanks on July 14th. Everything is done with that and working as it should be.

Morning Side-

Servicing of the generators, Rich who used to work for Banner Electric and has always serviced our generators is working on getting his Bond and paperwork together. He did come look at the generators (lift station ones) and didn't have many hours on them so waiting until Fall to service them. One at the Filter Plant, just happened to be that Cummins contacted Joe and when they bought those generators they noticed we get 2 free services so that one won't cost us any.

Hydrant at Somerfield and Daybreak just got back in service today and is good to go.

Community Crossing Grant opens September 1st, 2026.

Tower Update-Fence post are in. Waiting on concrete company and supposed to start Thursday.

Talked with Andy about all cyber security and I spoke to Peerless about what can happen and nothing can happen to our plant.

Police Department: July 2026

243 Calls for Service

16 Assist to SJC Police

17 Reports for the Month

13 total tickets written

2 local Ordinance Violations

Coffee Shop by Town Hall is open for full business. Closed Sunday and Monday. Hours 6am-2:30pm. Not sure if drive thru is open.

RDC: Started on Blue Barn. Waiting on someone with a quote. We did get a lot less money from the County. Not wanting to take a loan out but waiting to see what we can do. Working with Patrick on a building permit. Once get the blueprints and square footage might have to submit to State for review but do have to submit to County.

Still concerned about the old fork lift Building.

Did put another \$20,000 into fixing the trails.

Ordered new signs to post.
Still looking to get trees cut down that are blocking the trails.

EDC: Quote to take care of trees in woods was \$4,200.00. RDC and EDC agreed to pay someone to cut trees in woods. Patrick will get another quote to cut trees.

Lori asked Patrick to stop at Bettchers and Doc Auto to pick up checks for 4th of July sponsorship.

Budget season is upon us.

Had first Fall Festival Meeting this morning. Fall Festival is October 10th, 2026.

Looking for Volunteers for Committees the Town has.

Open spots on the Park Board.

Cannot update Park Plan until we have a Park Board made up of 5 people within Town Limits.

Town President, Lori Kelly asked for a Motion to close the Meeting at 6:32pm. Vice President, April Hathaway made a Motion and Dean Rouch second the Motion. Meeting closed at 6:32pm.
