

# **INSTITUTIONAL BULK ORDER PROFILE & OFFICIAL QUOTATION**

## **Patient Education Resource: 100 Questions & Answers for Stroke Survivors**

### **Program: Institutional Purchasing Program**

#### **OVERVIEW**

This Institutional Purchasing Program provides bulk access to 100 Questions & Answers for Stroke Survivors. This patient education resource is designed specifically to support stroke survivors, caregivers, and rehabilitation professionals.

All orders are fulfilled through a professional print-on-demand manufacturing and distribution network. This model ensures consistent production quality and scalable fulfillment for healthcare systems, educational institutions, nonprofit organizations, and government agencies.

#### **PRICING SCHEDULE**

100 Copies — \$5.99 each — Subtotal: \$599.00  
500 Copies — \$4.99 each — Subtotal: \$2,495.00  
1,000 Copies — \$3.99 each — Subtotal: \$3,990.00

##### **Additional Costs**

Shipping and handling  
Delivery fees based on destination and order size  
Applicable local, state, or institutional taxes

#### **TAX-EXEMPT ORGANIZATIONS**

Eligible entities may qualify for sales tax exemption upon submission of valid documentation. Approved exemptions will be reflected on the final invoice.

Eligible entities include:

- 501(c)(3) nonprofit healthcare organizations
- Hospitals and medical systems
- Universities and educational institutions
- Government agencies (local, state, federal)

#### **FULFILLMENT MODEL**

Orders are processed through a print-on-demand manufacturing network. Content is produced immediately following payment or purchase order authorization.

Production Timeline: 1–4 business days for printing and binding  
Delivery Timeline: 4–7 business days for shipping and transit  
Estimated Total Delivery Window: 5–11 business days after order authorization

Note: Large-volume orders may be fulfilled in multiple shipments depending on production limits

and order size.

## **PROCUREMENT PROCESS**

### **Step 1 – Order Request**

Submit organization name, contact information, shipping address, requested quantity, and tax exemption documentation (if applicable).

### **Step 2 – Formal Quotation**

A detailed invoice will be issued including unit pricing, total cost, shipping, handling, and applicable taxes.

### **Step 3 – Payment / Purchase Order**

Orders are processed upon full payment or receipt of an approved institutional Purchase Order (PO).

### **Step 4 – Production Authorization**

Manufacturing begins immediately after payment or PO confirmation.

### **Step 5 – Shipment & Tracking**

Tracking information will be provided automatically via email upon shipment release.
