

Plan. Prepare. Succeed.

Flagstaff sales tax rate: 9.386%

With increased holiday traffic in Flagstaff, it's possible to lose internet during the show.

Below, find ideas to help you build an offline sales plan (*just in case*)...

Enable Offline Credit Card Processing

Most card readers offer some form of offline mode.

- [Square Offline Payments](#)
- Shopify POS Offline Payments

Important: Set it up before the show (Transactions are stored and processed when service returns).

Keep a Manual Credit Card Imprint Kit

- Carbon imprint machine ("knuckle buster") or
- Paper credit card slip: be sure to collect zip and cvc code
- Phone number- confirm sale with text
- Customer signature line
- Manually enter cards when service returns.

Bring Multiple Connectivity Options

- Cell phone hotspot (different carrier than your phone)
- Secondary phone
- Mobile Wi-Fi device

one carrier may work while another is overloaded

Accept Cash (and Make It Easy)

- Keep plenty of change
- Display a sign: Cash Always Accepted
- Send customers to ATM's nearby

Accept Checks

Use QR Codes That Work Offline

- Create a sign with QR codes to: Website / Venmo / PayPal / Zelle
- Customers can complete payment once they regain service.

Create a "Reserve This Piece" Form

Create a card, or add this to your business card:

- Reserved Until 6 PM Today: Collect: name / phone / email

Keep them committed while payment issues are resolved!
