Strengthening All Families

Strong families are the first foundation to protecting children, and all families do better when they live in communities that are committed to helping them succeed - no matter their size, income, neighborhood, background, and diversity. Franklin County Children Services is proud to make available this Resource Guide to help families connect with the wide ecosystem of valuable partners and service providers throughout our community.

WE'VE ADDED NEW SECTIONS AND HELPFUL TABS SO YOU CAN FIND MORE USEFUL INFORMATION TO MATCH YOUR NEEDS QUICKLY OR IN A CRISIS.

Families do not need to be in the care of FCCS to use the resources in this guide. Any family in Franklin County should feel comfortable reaching out to the partners and providers listed in this guide.

About Franklin County Children Services

Each year, Franklin County Children Services is relied upon to help more than 26,000 children and their families through prevention, protection, placement, and permanency programs, offering services and supports to keep young people safe and families together. The framework of this Call to Action is built around six key themes that drive our work:

CALL TO ACTION 1: PROTECTING THE WHOLE CHILD

An integrated child protection strategy emphasizes protecting the whole child - body, mind, and heart - recognizing the mental health and social-emotional challenges confronting so many young people. We match every child who comes into FCCS with at least one caring adult - caseworker, foster parent, relative or kin, mentor or volunteer, or a community partner.

CALL TO ACTION 2: STRENGTHENING ALL FAMILIES

Children are better served if they can safely remain with their primary families as they seek support. But when children can no longer stay with their parents, we prioritize placement in family-like settings. Even better, we invest in a full-range of community-based prevention programs to prevent families from entry into the child welfare system.

CALL TO ACTION 3: VALUING OUR TEAM FCCS CULTURE

We're making the necessary investments to recruit a strong workforce, while at the same time capitalizing on infrastructure, training, and staff to keep Team FCCS safer together, organizationally supported, culturally competent, and better reflective of who we serve.

CALL TO ACTION 4: MANAGING FINANCIAL RESOURCES RESPONSIBLY

Our financial stewardship is marked by transparency, accountability, and mission-driven investments with a focus on re-investing tax dollars into businesses based in Franklin County and more reflective of the children and families we serve.

CALL TO ACTION 5: ENGAGING OUR COMMUNITY AUTHENTICALLY

Authentic relationships are rooted in two-way, trusted partnerships that connect with the communities we serve. We are promoting and investing in an ecosystem of community partnerships across a diverse field of services to best address our families' true needs.

CALL TO ACTION 6: LEADING IN INNOVATION

As one of Ohio's largest public child service agencies and a national voice in child safety, we will continue to champion the transformation of the child welfare system and how our system can best keep kids safer and make families stronger for longer.

Kinship Care

Kinship care is when a relative or non-relative has taken over the full-time care, nurturing and protection of a child. It should be noted that the definition for kinship caregivers goes beyond the scope of blood relatives, and may include an adult who has a familiar relationship/bond with the child and/or family.

Kinship care represents the most desired out-of-home placement option for children who cannot live with their parents on a temporary basis or permanently. Children placed with their relatives are better able to maintain their sense of belonging and identity with their family’s culture, history and traditions.

Kinship care includes those relationships established through an informal arrangement, a legal custody or guardianship order, a relative foster care placement, or a kinship adoption. Call FCCS Kinship Care at (614) 341-6161.

Kinship Caregiver Interested in Foster Parenting

If you are a kinship caregiver you may be eligible to become a foster parent. If interested in beginning the process to become a foster parent, please visit foster care information website at <https://fosterandadopt.jfs.ohio.gov/wps/portal/gov/ofc/foster-care/becoming-a-foster-parent>. The Kinship Support Program is available to eligible kinship caregivers to provide temporary financial support for placement of children under agency custody into kinship caregiver’s home. There is no application to complete to be part of this program.
