Media Advisory

Children under FCCS custody are missing from foster home

Photos of children

A sibling group of 4 appears to have been abducted from their foster home. They were last known to be at the home of the foster parents on the east side of Columbus, Ohio. They were reported missing on the morning of December 10, following the review of camera footage from the previous night.

We are seeking the public's help in locating

- Jamarion, age 12, African American male
- Justice, age 10, African American female
- Journey, age 4, African American female
- Royalty, age 2, African American female

Anyone with information about the location of these children is asked to call 614-645-4545
