

# EVERYONE DESERVES A HEALTHY RELATIONSHIP

You do and so does your child.

**You deserve a  
healthy relationship  
and so does your child.**

If your partner engages in abusive behavior, it affects your child too. Partners who abuse, create unsafe situations for children, often resulting in critical injury. Watch how your partner interacts with your child. Look for warning signs such as showing anger, or purposely scaring your child.

For more information contact the Center For Family Safety and Healing at 614-722-8200 or visit [childrenservices.franklincountyohio.gov](http://childrenservices.franklincountyohio.gov) to find parenting tips for your family.
