Goorma Ayey Sax tahay? Adigu Is-weydii...

- Canuggaagu jir ahaan iyo maxkas ahaanba ma awoodaa inuu/inay isdaryeelo/daryeesho?
- Canugaagu ma u hoggaansamaa sharciga, go'aano wanaagsana ma sameeyaa?
- Canuggaagu ma ku qanacsanyahay mise wuu ka baqdaa inuu geligiis guriga joogo?
- Gurigaagu Ammaan ma yahay aan halis lahayn?
- Canuggaagu ma yaqaan halka aad jirto sida goor kasta oo kuula soo xariiri karo?

Qorshe Sammee!

- Wakhti tijaabo ah sammee. Wakhti gaaban canuggaaga guriga uga tag adiga oo aan guriga ka fogaanin.
- Kaalinta canugga isku day. Tijaabooyin sammee u eg xaaladaha dhici karo oo dhan.
- Sharciyo dajiso. Xaqiiji inuu canuggaagu yaqaano waxa (Loo ama aan) loo oggolayn marka aanad guriga joogin.
- Marba soo hubi/kasoo wardoona. Soo wac canuggaaga marka aad ka maqantahay.
- Haka badbadinin. Xitaa carruurta yara-koray, masuulka ah waa ina aanay kaligood wax badan guriga kaligood joogin.

War-galintan ku socota waalidka waxay idinkaga timid Hay'adda Adeegyada carruurta ee Degmada Franklin, halkaasoo aan u doodno inay canug kasta helo ammaan, hoy joogta ah iyo caafimaad hagaagasan.
