

PREVENT TEEN SUICIDE

Limit access to lethal means such as guns and medication.

If a youth in your life is experiencing stress, anxiety or depression, limit their access to things that can be lethal.
Locks Save Lives!

If you suspect a youth is thinking about ending their life, get help. Call the Franklin County Suicide Prevention Line at (614) 221-5445 or the National Suicide Prevention Lifeline at 1-800-273-8255. If you need help immediately, call 911. Franklin County Children Services offers parenting tips to keep youth safe and families secure. Visit their website at childrenservices.franklincountyohio.gov
