## Our Agreement

I, the client (or his or her parent or guardian), understand I have the right not to sign this form. My signature below indicates that I have read and discussed this agreement; it does not indicate that I am waiving any of my rights. I understand I can choose to discuss my concerns with you, the therapist, before I start (or the client starts) formal therapy. I also understand that any of the points mentioned above can be discussed and may be open to change. If at any time during the treatment I have questions about any of the subjects discussed in this brochure, I can talk with you about them, and you will do your best to answer them.

I understand that after therapy begins I have the right to withdraw my consent to therapy at any time, for any reason. However, I will make every effort to discuss my concerns about my progress with you before ending therapy with you.

I understand that no specific promises have been made to me by this therapist about the results of treatment, the effectiveness of the procedures used by this therapist, or the number of sessions necessary for therapy to be effective.

I have read or have had read to me the issues and points in this brochure. I have discussed those points I did not understand, and have had my questions, if any, fully answered. I agree to act according to the points covered in this brochure. I hereby agree to enter into therapy with this therapist (or to have the client enter therapy), and to cooperate fully and to the best of my ability, as shown by my signature here.

I believe this person fully understands the issues, and I find no reason to believe this person is not fully competent to give informed consent to treatment.
