CLOSE PROTECTION SECURITY DRIVER INTENSIVE 2 DAY COURSE

TACTICAL SIMULATIONS CONTINUED PROFESSIONAL DEVELOPMENT TRAINING

Close Protection Driving is a specialized field that plays a crucial role in ensuring the safety and security of high-profile individuals during transportation.

- Close Protection driving is not just about moving from point A to point B; it involves a specialized skill set.
- It ensures that clients, such as diplomats, executives, and celebrities, can travel safely while minimizing security risks.
- Provide a sense of safety and control, which contributes significantly to a comprehensive security plan.
- Anticipate a wide range of potential hazards.
- Plan safe and efficient routes to avoid high-risk areas and potential threats.
- Have good knowledge of navigation tools help them make informed decisions during travel.
- Have local knowledge of roads in cities like London, Paris, or New York adds an extra layer of expertise.

2-Day Intensive Close Protection Driver Course

This 2-day intensive training course provides a sound understanding of close protection driver skills and the understanding of vehicle dynamics. Mastering these fundamentals of good car control will progress towards applied evasive and defensive driving, which will enhance your overall CP driving skills.

- Vehicle Brief – vehicle security, safety assessment criteria
- Vehicle Dynamics – grip limits and chassis dynamics
- Vehicle Control – fundamentals of vehicle handling
- Evasive Driving – vehicle manoeuvres
- 2 and 3 Vehicle Drills – lead driver, support drivers, convoy

Minimum age 21 years, full driving license
