

Welcome to the Fabrics Plus Limited July Newsletter

Welcome to the brand new monthly newsletter, in each edition we will have exciting news and events that are taking place in store. Top tips from our expert staff members plus free downloadable patterns, courtesy of Makower UK.

We will be showcasing our new product lines to get you inspired for all things crafty. For one month only receive a discount on the product of the month.

This month in store

We have a range of classes and demonstration days available for all customers to book and attend.

Ollie the Owl

Come along and make up Ollie the Owl, a class designed for children. £10 per child (to include all materials) [Click here](#) for dates.

Jelly Roll Demonstration

Maureen, our patchwork specialist, will be demonstrating her 5 top tips for using jelly rolls to make your own unique patchwork quilt. If you are inspired, jelly rolls will be available to buy to try out your new skills. [Click here](#) for details.

Meet the staff

Each month we will be bringing you a different member of staff, their specialism and some top tips to guide and inspire you.

This month we would like to introduce you to:

Maureen

Our patchwork specialist has been creating her visions for 22 years.

"I enjoy quilting because I find it relaxing, the variety of designs that mean I can express myself. I began quilting in 1996 after becoming inspired by the beautiful quilts I was viewing in exhibitions at the Victoria Rooms, Bristol. I took some classes and I have been patchworking and quilting ever since!"

Maureen will be available on Saturday 21st July at 11am and 2pm to demonstrate some simple techniques with jelly rolls. She will be available to answer any and all of your patchworking questions.

"I look forward to seeing you there"

Product of the Month
