Generation	The total sales and Associates generated by an EVP in a personally sponsored Associate team that has been promoted to EVP. An Associates' Generational rank is based on who personally sponsored them into myEcon and the Associate who personally sponsored that Associate into myEcon. The relationship is similar to that of children, parents, grandparents, and great grandparents, etc.
Super Team	An EVP, plus all the EVPs and higher ranks in his 1st, 2nd, 3rd, 4th and 5th Generations
CV – Commission Value	The percentage of each sale that is used to pay commission to myEcon Associates
