# What is SpeedX?

---

- **SpeedX** is a dynamic scalable virtual platform of **Talents of Endearment** that offers innovative solutions to help college students and graduates world to enjoy the future of their dreams and start a career of their choice.
- Our aim is to create opportunities to help **100,000+** college students and graduates in 5 years around the world.

# Global Demand for SpeedX!

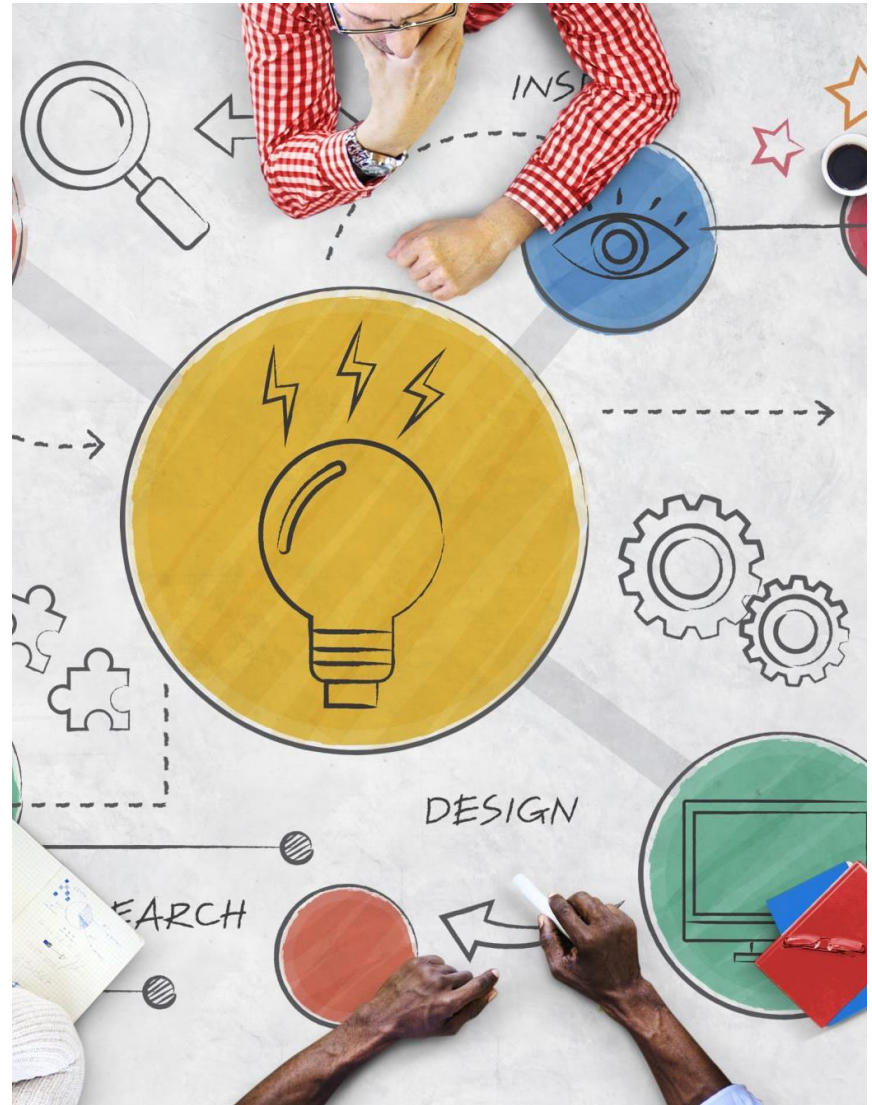

College students and graduates' unemployment has been increasingly one of the biggest concerns around the world:

- Those aged 25 years and younger, account for nearly 40 percent of the world's population.
- The number of youths between the ages of 15 and 25 is approximately 1.2 billion (youth constitute 18 percent of the global population).
- 700 million unemployed youth (15-25 years old) worldwide
- 75 million young people are trained but have no job
- 1 billion+ youth worldwide will enter the labor market in the next 10 years – rate of market demand increases 14.6% annually - and large numbers of them will face a future of irregular and informal employment.
- Almost 90% of all young people live in developing countries.

# SpeedX is Different!

SpeedX address universal challenges faced by college students and graduates almost everywhere -

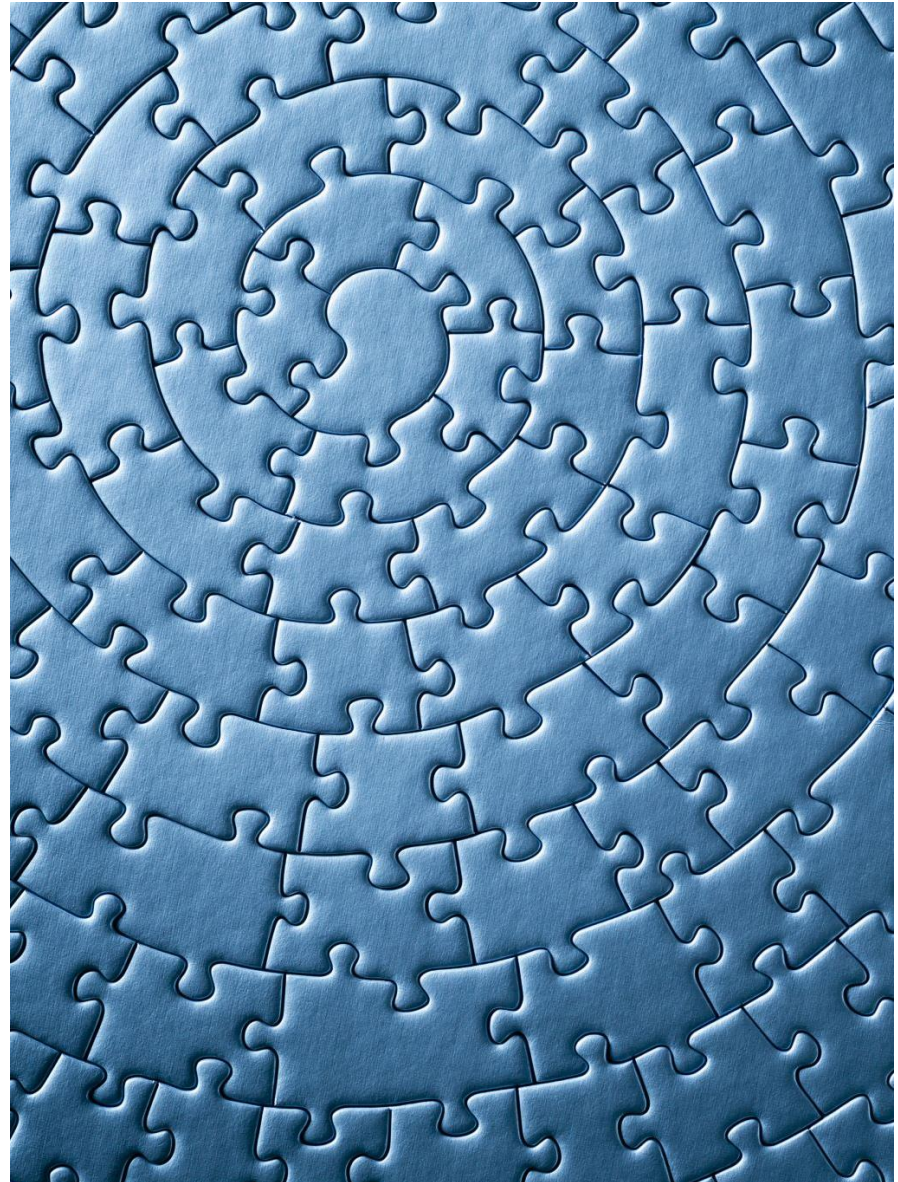

- It help trainees validate themselves for the future of work and business through real-life projects experience to become employable
