Capability Statement

JH Brooks Company, as a premier leader in interior building systems, stands at the forefront of providing comprehensive solutions for commercial metal framing, gypsum assemblies, and architectural finishes. With a distinguished team rooted in over 30 years of master craftsmanship and executive leadership, JH Brooks Company is uniquely positioned to execute complex interior scopes within high-security aviation and institutional environments. Backed by a team with extensive field experience, a highly skilled workforce, and a proven track record managing multi-million dollar infrastructure contracts, the team at JH Brooks Company has mastered the art of delivering precision-engineered interior systems that define the modern commercial landscape.

Core Competencies

Structural Interior Systems

- **Structural Metal Framing:** Engineered cold-formed and light-gauge framing systems.
- **Gypsum Board Assemblies:** High-performance drywall installation and finishing (Levels 1-5).
- **Thermal & Acoustic Protection:** Strategic sound attenuation and thermal insulation systems.
- **Architectural Finishes:** Interior commercial paintings, coatings, and specialized ceiling systems.

Project Management & Execution

- **Aviation Infrastructure:** Oversight of large-scale, high-security back-of-house construction.
- **Commercial Openings:** Installation of hollow metal and wood doors with complex hardware.
- **Tenant Improvements:** Efficient execution of retail, QSR, and institutional interior build-outs.
- **Compliance & Safety:** Strict adherence to OSHA 30 standards and remediation protocols.

Core Construction Services

- **Division 05 - Metals:** Cold formed metal stud framing, structural light gauge framing, and metal framing
- **Division 06 - Wood, Plastics:** Wood blocking and backing, and carpentry supports for fixtures and equipment
- **Division 07 - Thermal & Moisture:** Thermal wall and ceiling insulation, sound attenuation insulation, and moisture protection
- **Division 08 - Openings:** Hollow metal doors, wood doors, door frames, and commercial-grade door hardware.
- **Division 09 - Finishes:** Gypsum, drywall finishing (Levels 1-5), and interior painting and coatings.
